CHARACTERISTICS OF GEM

GEM has been positioned as a market designed to accommodate companies to which a higher investment risk may be attached than other companies listed on the Stock Exchange. Prospective investors should be aware of the potential risks of investing in such companies and should make the decision to invest only after due and careful consideration. The greater risk profile and other characteristics of GEM mean that it is a market more suited to professional and other sophisticated investors.

Given the emerging nature of companies listed on GEM, there is a risk that securities traded on GEM may be more susceptible to high market volatility than securities traded on the Main Board of the Stock Exchange and no assurance is given that there will be a liquid market in the securities traded on GEM.

GENERAL MANDATE TO ISSUE SHARES

The Company's existing mandate to issue Shares was approved by its then Shareholders on 5 June 2017. Unless otherwise renewed, the existing mandate to issue Shares will lapse at the conclusion of the AGM. At the AGM, an ordinary resolution will be proposed to grant to the Directors new general and unconditional mandate to allot, issue and otherwise deal with Shares of up to 20% of the aggregate nominal amount of the issued share capital of the Company as at the date of the passing of the proposed resolution.

In addition, a separate ordinary resolution will be proposed at the AGM to add to the Issue Mandate those Shares repurchased by the Company pursuant to the Repurchase Mandate (if so granted to the Directors at the AGM).

The Directors have no present intention to exercise the Issue Mandate or the Repurchase Mandate (if granted to the Directors at the AGM).

The Issue Mandate allows the Company to allot, issue and otherwise deal with Shares only during the period ending on the earliest of (i) the conclusion of the next annual general meeting of the Company; (ii) the date by which the next annual general meeting of the Company is required to be held by the Articles of Association or the laws of the Cayman Islands; or (iii) the date upon which such authority is revoked or varied by an ordinary resolution of the Shareholders in a general meeting of the Company (the "**Relevant Period**").

As at the Latest Practicable Date, the issued share capital of the Company comprised 1,400,000,000 Shares. Subject to the passing of the relevant resolution to approve the Issue Mandate and on the basis that no further Shares are allotted and issued or repurchased prior to the date of the AGM, the Directors would be authorised to allot, issue and otherwise deal with a maximum of 280,000,000 new Shares under the Issue Mandate, representing 20% of the aggregate nominal amount of the share capital of the Company as at the Latest Practicable Date.

LETTER FROM THE BOARD

GENERAL MANDATE TO REPURCHASE SHARES

The Company's existing mandate to repurchase Shares was approved by its then Shareholders on 5 June 2017. Unless otherwise renewed, the existing mandate to repurchase Shares will lapse at the conclusion of the AGM.

At the AGM, an ordinary resolution will be proposed to grant to the Directors new general and unconditional mandate to repurchase Shares of up to 10% of the aggregate nominal amount of the issued share capital of the Company as at the date of the passing of the proposed resolution. The Repurchase Mandate allows the Company to make purchases only during the Relevant Period.

As at the Latest Practicable Date, the issued share capital of the Company comprised 1,400,000,000. Subject to the passing of the relevant resolution to approve the Repurchase Mandate and on the basis that no further Shares are allotted and issued or repurchased prior to the date of the AGM, the Company would be allowed to repurchase a maximum of 140,000,000 Shares under the Repurchase Mandate, representing 10% of the aggregate nominal amount of the share capital of the Company as at the Latest Practicable Date.

An explanatory statement required to be sent to the Shareholders under the GEM Listing Rules is set out in Appendix I to this circular to provide the requisite information regarding the Repurchase Mandate to the Shareholders.

AGM

A notice convening the AGM is set out on page 17 to 20 of this circular, which contains, among other things, the ordinary resolutions to approve the re-election of the retiring Directors and the grant of Issue Mandate and Repurchase Mandate.

Pursuant to Rule 17.47(4) of the GEM Listing Rules, any vote of Shareholders at a general meeting must be taken by poll except where the chairman, in good faith, decides to allow a resolution which relates purely to a procedural or administrative matter to be voted on by a show of hands. The chairman of the meeting will therefore demand a poll for every resolution put to the vote of the AGM and the Company will announce the results of the poll in the manner prescribed under Rule 17.47(5) of the GEM Listing Rules.

A form of proxy for use by Shareholders at the AGM is enclosed with this circular. Whether or not you intend to attend and vote at the AGM in person, you are requested to complete and return the enclosed form of proxy in accordance with the instructions printed thereon and return it to the Company's branch share registrar and transfer office in Hong Kong, Tricor Investor Services Limited at Level 22, Hopewell Centre, 183 Queen's Road East, Hong Kong as soon as possible but in any event not less than 48 hours before the time appointed for the holding of the AGM or any adjournment thereof (as the case may be). Completion and return of the form of proxy will not preclude you from subsequently attending and voting at the AGM or any adjournment thereof (as the case may be) should you so desire.

LETTER FROM THE BOARD

RECOMMENDATION

The Directors consider that the granting of the Issue Mandate, the Repurchase Mandate, the extension of the Issue Mandate and the re-election of retiring Directors are in the interests of the Company and the Shareholders as a whole. Accordingly, the Directors recommend the Shareholders to vote in favour of the relevant resolutions to be proposed at the AGM and as set out in the AGM Notice.

RESPONSIBILITY STATEMENT

This circular, for which the Directors collectively and individually accept full responsibility, includes particulars given in compliance with the GEM Listing Rules for the purpose of giving information with regard to the Company. The Directors, having made all reasonable enquiries, confirm that to the best of their knowledge and belief the information contained in this circular is accurate and complete in all material respects and not misleading or deceptive, and there are no other matters the omission of which would make any statement herein or this circular misleading.

GENERAL INFORMATION

Your attention is also drawn to the appendices to this circular.

The English text of this circular shall prevail over the Chinese text for the purpose of interpretation.

By Order of the Board
Winning Tower Group Holdings Limited
Lai King Wah
Chairman and Executive Director

This appendix serves as an explanatory statement as required under the GEM Listing Rules to provide the requisite information to Shareholders for consideration of the Repurchase Mandate pursuant to Rule 13.08 of the GEM Listing Rules.

1. EXERCISE OF PURCHASE MANDATE

Exercise in full of the Share Repurchase Mandate, on the basis of 1,400,000,000 Shares in issue at the Latest Practicable Date, would result in up to 140,000,000 Shares (which will be fully paid and represent 10 per cent. of the Shares in issue as at the Latest Practicable Date) being repurchased by the Company during the course of the period prior to the earliest of (i) the conclusion of the next annual general meeting of the Company; or (ii) the expiration of the period within which the next annual general meeting of the Company is required by the Articles of Association or applicable laws of the Cayman Islands to be held; or (iii) the passing of any ordinary resolution of the Shareholders in general meeting of the Company revoking, varying or renewing the Share Repurchase Mandate.

2. SHARE CAPITAL

As at the Latest Practicable Date, the issued share capital of the Company comprised 1,400,000,000 Shares. Subject to the passing of the relevant resolution to approve the Repurchase Mandate and on the basis that no further Shares are allotted and issued or repurchased between the Latest Practicable Date and the date of the AGM, the Company will be allowed to repurchase a maximum of 140,000,000 Shares during the Relevant Period.

3. SOURCE OF FUNDS

The Directors propose that the repurchase of Shares under the Repurchase Mandate would be financed from the Company's internal resources. In repurchasing the Shares, the Company may only apply funds which are legally available for such purposes in accordance with the constitutive documents of the Company, the GEM Listing Rules and the applicable laws and regulations of the Cayman Islands. The Company will not purchase the Shares on GEM for a consideration other than cash or for settlement otherwise than in accordance with the trading rules of the Stock Exchange from time to time.

4. REASONS FOR SHARE REPURCHASE

Although the Directors have no present intention of exercising the proposed Repurchase Mandate, the Directors believe that the flexibility afforded by the proposed Repurchase Mandate would be beneficial to the Company and the Shareholders. An exercise of the Repurchase Mandate may, depending on market conditions at the time, lead to an enhancement of the net asset value and/or earnings per Share and will only be made when the Directors believe that repurchase of Shares will benefit the Company and the Shareholders as a whole.

5. SHARE PRICES

The highest and lowest prices at which the Shares have traded on the Stock Exchange during the period from the Listing Date to the Latest Practicable Date were as follows:

	Share Price	
	Highest (HK\$)	Lowest (HK\$)
30 June 2017 (Listing Date)	0.178	0.125
July 2017	0.164	0.110
August 2017	0.145	0.101
September 2017	0.129	0.102
October 2017	0.114	0.102
November 2017	0.135	0.108
December 2017	0.115	0.101
January 2018	0.115	0.101
February 2018	0.107	0.093
March 2018 (up to the Latest Practicable Date)	0.135	0.101

6. UNDERTAKING

The Directors have undertaken to the Stock Exchange that, so far as the same may be applicable, they will exercise the powers of the Company to make repurchases pursuant to the Repurchase Mandate and in accordance with the GEM Listing Rules and the applicable laws of the Cayman Islands.

7. EFFECT OF THE TAKEOVERS CODE

If as a result of a repurchase of Shares pursuant to the Repurchase Mandate, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purposes of the Takeovers Code. As a result, a Shareholder, or a group of Shareholders acting in concert (as defined in the Takeovers Code), depending on the level of increase of the shareholder's interest, could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rules 26 of the Takeovers Code. As at the Latest Practicable Date, Keyview Ventures Limited is interested in 1,050,000,000 Shares, representing 75% of total issued share capital of the Company.

On the basis of the aforesaid increase of shareholding held by the Shareholders set out above, the Directors are aware of that if the Repurchase Mandate was exercised in full, the shareholdings would increase from 75% to 83.3% giving rise to a mandatory offer for Shares under Rule 26 of the Takeovers Code.

The Directors do not intend to exercise the power to repurchase Shares to an extent which would render any Shareholder or group of Shareholders obliged to make a mandatory offer under Rule 26 of the Takeovers Code.

The Directors will not repurchase the Shares on GEM if the repurchase would result in the number of the listed securities which are in the hands of the public falling below 25%, being the relevant minimum prescribed percentage for the Company as required by the Stock Exchange.

8. DISCLOSURE OF INTERESTS OF DIRECTORS, THEIR CLOSE ASSOCIATES AND CORE CONNECTED PERSONS

- (i) As at the Latest Practicable Date, none of the Directors nor, to the best of their respective knowledge and belief and having made all reasonable enquiries, their close associates (as defined under the GEM Listing Rules), have any present intention, if the Repurchase Mandate is approved by the Shareholders and is exercised, to sell any Shares to the Company or any of its subsidiaries under the Repurchase Mandate.
- (ii) As at the Latest Practicable Date, no core connected person (as defined in the GEM Listing Rules) of the Company has notified the Company that he/she/it has a present intention to sell any Shares in the event that the Repurchase Mandate is approved by the Shareholders.

9. MATERIAL ADVERSE CHANGE

As compared with the financial position of the Company as at 31 December 2017 (being the date to which the latest audited accounts of the Company have been made up), the Directors consider that there would not be a material adverse impact on the working capital and on the gearing position of the Company in the event that the proposed repurchases were to be carried out in full during the proposed repurchase period.

The Directors do not propose to exercise the Repurchase Mandate to such extent as would, in the circumstances, have a material adverse effect on the working capital of the Company or the gearing position which in the opinion of the Directors are from time to time appropriate for the Company.

10. SHARE REPURCHASE MADE BY THE COMPANY

The Company had not purchased any of the Shares (whether on GEM or otherwise) from the Listing Date up to the Latest Practicable Date.
