PROFIT WARNING

This announcement is made pursuant to Rule 17.10 of the Rules Governing the Listing of Securities on GEM of The Stock Exchange of Hong Kong Limited (the “**GEM Listing Rules**”) and the Inside Information Provisions (as defined under the GEM Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Cap. 571, Law of Hong Kong).

The Board of directors (the “**Board**”) of Winning Tower Group Holdings Limited (the “**Company**”, together with its subsidiaries, the “**Group**”) wishes to inform the shareholders of the Company and potential investors that, based on the preliminary assessment of the latest unaudited financial information, the Group is expected to record a substantial decrease in profit for the three months ended 31 March 2019 as compared with last year’s net profit of the corresponding period which was largely due to (i) change of customers’ preference as a result of the outbreak of swine flu in China, leading to a change of product mix from pork to chicken, lowering the revenue (as the selling price per kg of our chicken products are lower than pork products) and gross profit margin (as the cost of chicken raw material has increased substantially); (ii) increase in storage cost due to piling up stock of chicken raw material in anticipation of rising prices of chicken from China because of rising prices of chicken feed arisen from the trade dispute between China and The United States and the increased demand for chicken as an alternative to pork in China ; and (iii) increase in operating expenses, such as depreciation cost of approximately HK\$545,000.

As the Company is in the process of finalising the first quarterly results of the Group for the three months ended 31 March 2019, the information contained in this announcement is only based on the preliminary assessment by the Company with reference to the information currently available and the consolidated management accounts of the Group, which have neither been confirmed nor audited by the Company’s auditor or reviewed by the audit committee of the Company, and is therefore subject to necessary adjustments. Detailed financial results of the Group for the three months ended 31 March 2019 will be announced on or before 15 May 2019.

Potential investors and shareholders of the Company should exercise caution when dealing in shares of the Company.
